PORT DISTRICT #2 Extends Camping Closure

Skamokawa, WA May 11th, 2020 – Port District 2 of Wahkiakum County has decided to extend the closure of overnight accommodations through May 26th. If we were to open camping, we would expect a larger than usual influx of people into our area due to the current closure of many popular Washington and Oregon State Parks. We feel it is in the best interest of our day use customers, employees, and community to do what we can to reduce the current risks associated with large numbers of people coming in from a very broad area.

We are consistently monitoring the situation and staying in touch with other entities to make an informed decision on when to reopen camping.

Day use continues to remain open currently between the hours of 7 AM and 10 PM. The Port office is open Monday-Friday 10-3 PM, with limited public access.

If you have any questions, please call or send us an email at jeff@wahport2.org.
